Dear Mr. Quigley:

Enclosed please find a copy of SECY-01-0113, "Fatigue of Workers at Nuclear Power Plants." This report provides the U.S. Nuclear Regulatory Commission's staff recommendation concerning the resolution of your petition for rulemaking dated September 28, 1999, in which you requested clear and enforceable work hour limits to mitigate the effects of fatigue for nuclear power plant personnel performing safety-related work. The Commission is currently reviewing this report. We will contact you once the Commission has made a decision concerning your petition. In the interim, if you should have questions concerning the enclosed report or the processing of your petition, you may contact me at 301-415-1043 or by e-mail at DRD@NRC.GOV.

Sincerely,

/RA/
