Dear Administrative Judges:

This responds to the Board's Memorandum and Order (Order) of June 28, 2001, granting request for hearing and scheduling prehearing conference. In the Order, the Board stated that the parties may file and exchange any documents they believe would assist in preparing for the prehearing conference, including the parties' statements of the issues for litigation in the proceeding. I am hereby enclosing the Notice of Violation and Proposed Imposition of Civil Penalty - \$110,000 (issued February 7, 2000) and Order Imposing Civil Monetary Penalty - \$110,000 (issued May 4, 2001). These documents contain the NRC Staff's statements of the issues for litigation. As the Licensee already has copies of these documents, they are not being sent to the Licensee.

Sincerely,
