**Subject:** Repanel for IP-2 SG Issue

Greg Cwalina, NRR Senior Allegation Coordinator, called Dave to schedule a repanel on the IP-2 SG issue.

We (they) would like to tentatively schedule this for 1/10/01 starting at the beginning of the regular DRP/DRS alleg panel meeting at 9:30 a.m.

Greg Cwalina informed Dave that they will prep for the repanel and would be faxing documents to Region I. As of now, we have not received the prepped material.

If there are conflicts in schedules please let me know soon.

Thanks  
Sharon
