Subject: Re: Proposed Rulemaking on Decommissioning Trust Provisions

Brian

I concur based on your discussion with me regarding my and Mike Ripley's comments.

I believe Suzie Black was handling the division level concurrence.

Stu

Stu,

Please let me know when I can pick-up your concurrence on the subject document, or if I should note our conversation yesterday as your concurrence. Also, do you know if John Zwolinski's concurrence is dependent upon yours, or might he have someone else reviewing the document?

Thanks,

Brian
