NOTE

TO: File, NR-1065-D-101-E

FROM: John Jankovich
MSIB/IMNS 

SUBJECT: WORKING LIFE FOR DEVICE

The working life was not listed on the Amendment, dated September 7, 2000, of the Registration Certificate NR-1065-D-101-E in accordance with the limited format for the registration certificates for exempt-use products, including smoke detectors, as illustrated in Appendix H, NUREG-1556, Vol. 3, dated July 1998. The working life was addressed by the licensee in the application for amendment dated April 4, 2000 (page 4) as well as in the safety evaluation performed by the reviewers.
