Dear Ms. Ball:

In a letter dated July 11, 2001, to Mr. Brian Sheron, you requested comments from the U.S. Nuclear Regulatory Commission (NRC) on a change to the New York State Coastal Management Program. The change incorporated the City of Peekskill Local Revitalization Program. In particular, you asked us whether the provisions of the program change would conflict with Federal Policies.

The NRC staff has reviewed the program change and determined that it does not conflict with the policies or regulations within the purview of the NRC.

Sincerely,
