Re: Wolf Creek Generating Station - Request for Comments on Proposed
Amendments to the Antitrust License Conditions

Dear Mr. Donohew:

On June 12, 2001 you requested the comments of the Department of Justice on proposed amendments to the antitrust license conditions attached to the Facility Operating License No. NPF-42 for the Wolf Creek Generating Station. You included with your request a copy of the proposed amended conditions and information concerning the proposed amendments.

Based on our examination of the information you submitted we have no objections to the proposed amendments to Wolf Creek Generating Station antitrust license conditions.

If you have any questions, please call me at 202-307-6351 or Janet Urban at 202-307-6479.

Docket No. 50-482

Sincerely,

Roger W. Fones
