Friday, July 27, 2001

To Whom It May Concern:

Under the Freedom of Information Act, the Las Vegas Sun Newspaper respectfully requests any letters, e-mails or documents concerning a high-level nuclear waste repository at Yucca Mountain, Nevada, specifically relating to radiation exposure standards, if such letters, e-mails or documents contain the names of the following attorneys, all of whom work for Winston & Strawn, a law firm with an office in Washington, D.C.:

The attorneys include:

F. Stanley Echoles, James R. Curtiss, Robert L. Draper, Charles L. Kinney, Nicholas S. Reynolds, Gregory Kaler Smith, Beryl F. Anthony, Jr., and David A. Repka.

The Las Vegas Sun requests that fees for this Freedom of Information Act request, since any information provided would assist the public in understanding how the federal government works.

Thank you, in advance,

Mary Manning
