SUBJECT: REQUEST FOR INTERNATIONAL NUCLEAR EVENT SCALE SEMINAR

Dear Ms. Carnino:

This letter is a formal request to the International Atomic Energy Agency (IAEA) to hold a seminar in the United States regarding the International Nuclear Event Scale (INES). The purpose of the seminar is to train members of the United States Nuclear Regulatory Commission (USNRC) staff and other United States Federal government agencies on the use of the INES and the rating of nuclear incidents.

The USNRC will host the seminar at its premises and provide the air transportation for one IAEA lecturer and subsistence allowance for two IAEA lecturers for the duration of the seminar as described in the tentative cost estimate provided by your organization. The tentative date of the seminar, as arranged with your staff, is November 1-2, 2001.

I would appreciate receiving a confirmation of the details regarding the seminar.

Sincerely,

/RA by Joseph J. Holonich Acting For/
