ALL AGREEMENT AND NON-AGREEMENT STATES

**TRAINING COURSE INFORMATION: ACCEPTANCE TO THE JOINT NRC/CRCPD  
NUCLEAR MATERIALS EVENTS DATABASE SOFTWARE AND MANAGEMENT  
OF UNWANTED RADIOACTIVE MATERIAL TRAINING SESSION (STP-01-063)**

Enclosure 1 is the list of students who have been registered to attend the August 15-16 2001, training session on the use of an updated Microsoft Access 97/2000 version of the Nuclear Materials Events Database (NMED) software and management of unwanted radioactive material. Please note that additional students may be added to the list.

Please provide the list of students, and the training location and directions information (Enclosure 2) to each individual from your program who is already on the list or will be registered to attend the training session. Background information and a draft agenda for the training can be found in All Agreement States Letter STP-01-049, dated June 19, 2001.

If you have any questions regarding this correspondence, please contact me or the individual named below.
