Re: Amendment of Registry Sheet TX-1068-S-101-S

Dear Ms. Kime,

Enclosed is the amended sealed source sheet TX-1068-S-101-S for International Isotopes, Inc. This sealed source sheet has been amended to allow alternative packaging of the sources in pre-sterilized needle assemblies. We would appreciate you distributing copies of this sheet to the other State Programs and NRC Regions, as appropriate.

Thank you for your cooperation and efforts.

Sincerely,

David M. Wood  
Medical and Academic Licensing  
Division of Licensing, Registration  
and Standards  
Bureau of Radiation Control
