1 information he may want to give us in support of his
2 petition. Also, it's an opportunity for any affected
3 licensee to ask any clarifying questions based on what
4 they need to understand the issues. We don't discuss
5 the merits of the petition at this point. We just
6 take additional information.

7 So with that, Mr. Lockbaum, would you like
8 to provide any additional information?

9 MR. LOCKBAUM: I just have a few small
10 comments. First of all, on the first page of my April
11 24, 2001 letter, on the third line from the bottom it
12 says Indian Point Stations 2 and 3. That's a mistake.
13 It should only be Indian Point Station Unit 2. I had
14 made an error assembling the list.

15 MS. BLACK: Okay, we'll strike Indian
16 Point 3.

17 MR. LOCKBAUM: In addition, I had some
18 enclosures to the letter that Mr. Patel called me
19 about last week about whether they were publicly
20 available or not and I provided some additional
21 information later last week that indicated they were
22 publicly available. They came from the Department of
23 Labor proceeding, so there was no privacy issues. I
24 do appreciate the NRC having checked on that since
25 there was a privacy issue involved that needed to be

1 taken to ground phonetic) and I should have done that
2 when I submitted it.

3 MS. BLACK: Okay, and that's the May 3rd
4 letter?

5 MR. LOCKBAUM: That's correct.

6 MS. BLACK: Good, thanks.

7 MR. LOCKBAUM: Those are the only
8 clarifying information I can provide at this time.
9 I'd be glad to answer any questions.

10 MS. BLACK: I wanted to give you one
11 additional piece of information. You came into the
12 NRC staff and imposed the allegation, a 2.206 process
13 and last week we got together with the people, the
14 Allegation Review Board and how we've decided to
15 handle it at NRC as far as the two issues to be
16 combined, since they're basically the same thing under
17 2.206 process. Is that okay with you?

18 MR. LOCKBAUM: That would be fine, sure.

19 MS. BLACK: Good. Does staff have any
20 questions?

21 Does any licensee feel they need
22 additional information to assess the implications of
23 this letter for their own plants?

24 Well, hearing none I think we've set a
25 record today for the shortest Petition Review Board,

1 whatever you call these things.

2 MR. SUBBARATNAM: Pre-PRB --

3 MS. BLACK: Pre-PRB telephone conferences.

4 I want to thank everybody for joining today and now we
5 will, the Petition Review Board will meet and
6 determine whether the petition meets the criteria for
7 review under 2.206 and we'll get an acknowledgement
8 letter out to Mr. Lockbaum within a month.

9 MR. LOCKBAUM: Thank you.

10 MR. SUBBARATNAM: Thanks everybody.

11 MR. LOCKBAUM: Thank you.

12 MR. SUBBARATNAM: Now we'll go into closed
13 meeting from now on. Thank you.

14 (Whereupon, the teleconference was
15 concluded.)
