MEMORANDUM FOR: Chairman Palladino  
Commissioner Asselstine  
Commissioner Bernthal  
Commissioner Zech

FROM: Thomas M. Roberts *TRR*

SUBJECT: FUNDING OF NRC HLW MANAGEMENT PROGRAM COSTS UNDER THE  
NUCLEAR WASTE POLICY ACT OF 1982 - USE OF NUCLEAR WASTE  
FUND (SECY-84-456)

I would like to thank the Commissioners for their willingness to postpone action on the above matter until I received a briefing on the full range of options available to the NRC to recover HLW costs under the Nuclear Waste Fund.

As a follow up to the briefing I received on the above subject, the staff will be sending to the Commission a paper detailing these options since they were not discussed in SECY-84-456. It is my understanding that the paper will be sent to us very shortly.
