ATTENTION: RULEMAKING AND ADJUDICATIONS STAFF

Please I am ~~opposed~~ to the NRC proposed rulemaking as described in The Federal Register, April 16, 2001, Vol. 66 **to change the licensing hearing process** for nuclear power reactors. The public is entitled to full and meaningful participation in an **on-the-record hearing process** for the licensing of new reactors, the relicensing of aging reactors and industry amendments to operating license safety requirements.
