

August 6, 2001

MEMORANDUM TO: File

FROM: James Lieberman, Special Counsel /s/  
Division of Rulemaking & Fuel Cycle  
Office of General Counsel

SUBJECT: MEETING WITH UNITECH

A public meeting was held with Unitech Services Group, Inc., on August 2, 2001, to provide Unitech an opportunity to present their concerns regarding local regulation of discharges of Atomic Energy Act material to sanitary sewer systems. Previously, Unitech provided background information on these issues in a letter dated July 27, 2001, addressed to James Lieberman from Donald J. Silverman, Morgan, Lewis & Bockius and in a letter dated March 9, 2001, addressed to Stephen Lewis from Donald Silverman.

Unitech, joined by NEI, provided its position why NRC should consider clarifying its authority related to local government and non-agreement state regulation of Atomic Energy Act material. The licensee's presentation, along with the attendance list, is attached.
