ALL AGREEMENT AND NON-AGREEMENT STATES

PROGRAM MANAGEMENT INFORMATION: ORGANIZATION OF AGREEMENT STATES (OAS) AND CONFERENCE OF RADIATION CONTROL PROGRAM DIRECTORS, INC. (CRCPD) COMMISSION BRIEFING - AUGUST 15, 2001, 1:30 PM EASTERN (STP-01-065)

To provide an opportunity for States to listen to the OAS/CRCPD briefing of the Nuclear Regulatory Commission (NRC), we have made the following arrangements in coordination with the Offices of the Secretary and Chief Information Officer.

A listen only connection will be provided using a teleconference bridge line, a different, and we believe more effective system, than used last year. We are prepared to provide a bridge line for each program.

Please notify John Zabko, Office of State and Tribal Programs (STP), of your State's interest in participating in the teleconference. Please provide him with a designated contact for your program, their telephone number and e-mail address by no later than **COB August 13, 2001**. An accurate list of participants will ensure a sufficient amount of lines are reserved. Please submit the contact information via e-mail to Mr. Zabko, JGZ@NRC.GOV. The list of contacts, a bridge telephone number and passcode will be sent out via e-mail on August 14, 2001.

The designated contact from your program should call the bridge number, and using the passcode, will then be placed on the bridge line. The bridge line will be connected to the Commissioners' briefing room by the operator shortly before the briefing begins.

We ask that if more than one State member is interested in listening to the Commission briefing, that the State make arrangements to use a single speaker telephone to accommodate such interest. We also ask that all callers **engage the speaker telephone mute function to help eliminate background noise**. Your cooperation in following these instructions is appreciated.

If you have any questions regarding this correspondence, please contact me or the individual named below.
