

August 13, 2001

Ms. Nancy Burton
147 Cross Highway
Redding Ridge, CT 06876

Dear Ms. Burton,

This is a follow-up to my letter of June 28, 2001, in which I sent you copies of relatively recent rulemakings which deleted or modified multiple reporting requirements. In that letter, I indicated that I would attempt to identify additional rulemakings which met your criteria. The following rulemakings are the result of that search and hard copies of the listed Federal Register notices are enclosed.

“Fitness for-Duty Programs: NRC Partial Withdrawal of NRC Information Collection Requirements”; Part 26; 57 FR 55443; November 25, 1992.

“Reduction of Reporting Requirements Imposed on NRC Licensees (RIN AF18)”; Parts 50, 55, and 73; 60 FR 13615; March 14, 1995.

“Nuclear Power Plant License Renewal; Revisions (AF05)”; Parts 2, 51, and 54; 60 FR 22461; May 8, 1995.

“Production and Utilization Facilities: Emergency Planning and Preparedness Exercise Requirements (AF20)”; Part 50, 61 FR 30129; June 14, 1996.

“Changes to Nuclear Power Plant Security Requirements (AE53)”; Part 73; 62 FR 63640; December 2, 1997.

“Changes to Quality Assurance Programs (Direct Final Rule)(AG20)”; Part 50; 64 FR 9030; February 23, 1999.

“Frequency of Reviews and Audits for Emergency Preparedness Programs, Safeguards Contingency Plans, and Security Programs for Nuclear Power Reactors (AF63)”; 64 FR 14814; March 29, 1999.

“Frequency of Reviews and Audits for Emergency Preparedness Programs, Safeguards Contingency Plans, and Security Programs for Nuclear Power Reactors; Correction (AF63)”; Parts 50 and 73; 64 FR 17947; April 13, 1999.

N. Burton
