DONALD B. ALLEN NAMED NRC SENIOR RESIDENT INSPECTOR AT COMANCHE PEAK

The U.S. Nuclear Regulatory Commission has named Donald B. Allen senior resident inspector at Comanche Peak Steam Electric Station, a nuclear power plant near Glen Rose, Texas. Mr. Allen joins resident inspector Scott Schwind.

Mr. Allen graduated from Bradley University in Peoria, Illinois, with a Bachelor of Science degree in Physics. After service in the United States Air Force, Mr. Allen worked for Westinghouse as an instructor at a submarine reactor prototype in Idaho. Mr. Allen has over twenty years experience as a test engineer in commercial nuclear power plants.

Mr. Allen joined the NRC in 1996 as a project engineer in Region IV offices, Arlington, Texas, in the Division of Reactor Projects. He has also served as resident inspector at Diablo Canyon near San Luis Obispo, California. Mr. Allen assumed his new position at Comanche Peak in early July.
