Respondents.

ORDER

On July 25, 2001, the Nuclear Regulatory Commission (NRC) filed an unopposed motion to dismiss the complaint in this case, with prejudice, against the Respondents, Pal Consultants, Inc. and Nick Pal, based upon an attached July 24, 2001 settlement agreement reached between the parties. Therein, the Respondents agree to pay the NRC \$10,612.00 in 24 interest-free monthly installments until June 15, 2003, and to forfeit any claim regarding \$1,208.00 owed by the NRC to the Respondents. The settlement agreement also states that the Respondents do not admit any liability in this case, and that Respondent Nick Pal agrees to assume personal liability for payment of the \$10,612.00.

Good cause exists for approval of the NRC's motion. Accordingly, **IT IS ORDERED** that, pursuant to 10 CFR Section 13.18, the procedural schedule established by the Presiding Judge on May 24, 2001 **IS CANCELLED**; that the July 24, 2001 settlement agreement **IS APPROVED**; that the NRC's motion to dismiss the April 20, 2001 complaint **IS GRANTED**; and that this proceeding **IS TERMINATED**.
