The Honorable Joseph Crowley
Unites States House of Representatives
Washington, D.C. 20515-3207

Dear Congressman Crowley:

I am responding to your request for an extension of Ms. Jodi Lieberman's Congressional Fellowship assignment through December 31, 2001. We are pleased that she is providing excellent assistance to your office, and agree to her continuing to work in that capacity through the end of December. We look forward to her return to the Nuclear Regulatory Commission on January 2, 2002.

Sincerely,

/RA/

Richard A. Meserve
