

COPYRIGHT LICENSE

The Harvard Computing Group (HCG) hereby grants the United States Nuclear Regulatory Commission (NRC) a Copyright License that authorizes NRC to make copies of copyrighted documents, delivered to the NRC under Contract Number 01-0081, "ADAMS Directional Assessment Study," that are currently or that may become in the possession of the NRC. Such copying would be necessary for NRC use and to fulfill its legal responsibilities regarding documents in its Public Document Room. This Copyright License covers all documents delivered to the NRC under Contract 01-0081. This authorization is granted with the understanding that any copies of a specific document made by the NRC will continue to bear HCG's copyright notice, which will be reproduced along with any portion of the document. This Copyright License and release is retroactive and has no expiration date.
