SUBJECT: REQUEST FOR INFORMATION

Dear Mr. Pérez-Monté:

Enclosed please find copies of the inspection reports and quality management program field notes dated from 1987 to date for the facilities listed in your letter of July 26, 2001, to Mr. Luis Reyes. These are the inspection results documents which are most likely to contain information on the demand or fluctuation of patients treated at these facilities. One inspection report for the August 18, 1999, inspection of Ashford Presbyterian Hospital has not been located. We will forward this report to you if it is located.

In accordance with 10 CFR 2.790 of NRC's "Rules of Practice," a copy of this letter and Enclosure 1 will be available electronically for public inspection in NRC's Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC web site at <http://www.nrc.gov/NRC/ADAMS/index.html> (the Public Electronic Reading Room).

Sincerely,

/RA/
