OFFICE OF THE SECRETARY U.S. NUCLEAR REGULATORY COMMISSION WASHINGTON, DC 20555 ATTENTION: RULEMAKING AND ADJUDICATIONS **STAFF**

To Whom It May Concern:

I am opposed to the NRC proposed rulemaking as described in The Federal Register, April 16, 2001, Vol. 66 to change the licensing hearing process for nuclear power reactors. The public is entitled to full and meaningful participation in an on-therecord hearing process for the licensing of new reactors, the relicensing of aging reactors and industry amendments to operating license safety requirements.
