Dear Mr. Mowery:

I am responding on behalf of the Commission to your letter of August 22, 2001, wherein you withdrew the objections stated in your June 13, 2001, letter, to the proposed relocation by AmerGen Energy Company, LLC (licensee), of the Three Mile Island Nuclear Station (TMI) Emergency Operation Facility (EOF) from Harrisburg, Pennsylvania, to Coatesville, Pennsylvania. I understand from your letter that the licensee has also gained the support of several local municipalities for the proposed move. I am pleased that the Commission was able to respond to your concerns, and the Nuclear Regulatory Commission staff will consider your comments in any application filed before the Commission for approval to relocate the TMI EOF.

Sincerely,
