Subject: Re: Quad Cities OSRE SDP

Ian,

Peter Koltay and I are coordinating the overall PPSDP review. The Quad Cities OSRE issues I am handling for purposes of revising the inspection report. We will perform another SDP/enforcement panel, and at that point we may ask for assistance. As of today, the panel meeting has not been scheduled.

John,

Who in NRR is coordinating the PPSDP analysis for the Quad Cities OSRE? What can SPSB do to help at this point? Thanks. --- Ian
