Subject: **Quad Cities Pre-SDP/enforcement panel meeting**
Place: OEMAIL

On Thursday, June 22, 2000, at 10:00am EDT, there is a **pre-SDP/enforcement** panel meeting to discuss a security issue at Quad Cities. For headquarters personnel, the meeting will take place in O-12B4 due to the number of participants involved.

The purpose of the pre-panel meeting is to discuss the policy/process questions regarding this issue that are described on the attached agenda first. Then, we can discuss the facts of the exercise findings and determine appropriate significance/color, as necessary, and whether enforcement action is warranted. The draft SDP evaluation of the Quad Cities issue is also attached.

Please let me know if you have any questions (301-415-2833).

Thank you,

Vonna Ordaz
NRR Sr. Enforcement Coordinator
