Subject: Status of SERP Issues

FYI - A brief status of SERP issues that require NRR action or tracking are as follows:

IP2 SGTF red finding -

- NRR is completing their review of the licensee's analysis submitted after the Reg Conference
- Caucus/SERP tentatively scheduled for 10/31/00 at 1:00pm (Sam plans to attend, if available)

Quad Cities OSRE Commission Paper -

- Commission Memo w/Draft IR attached was signed by EDO on 10/18/00
- Commission has 10 days to comment before IR is issued (11/2/00)
- Communications Plan is being drafted

Oconee Deviation Memo -

- Question has been raised on the need for the deviation memo
- Suggestion was made to address the need to deviate if there is another white finding in the same cornerstone
- Awaiting approval from Bill Dean to proceed

Cooper EQ SERP on 10/26 -

- Should receive background information on 10/23/00
- Bill Dean to chair
- All regions will be included on the call due to potential policy/program issues
