Dear Dr. Travers:

SUBJECT: NRC STAFF PUBLIC OUTREACH ACTIVITIES

During its 127th meeting, June 19–21, 2001, the Advisory Committee on Nuclear Waste met with representatives of the NRC staff to learn about its public outreach activities in the high-level waste (HLW) program. We were very impressed with the progress and the results the staff has achieved over the past 2 years. We commend the staff for its success in transforming the HLW outreach program.

Sincerely,

/RA/
