Docket Nos. 50-280
and 50-281

Mr. W. L. Stewart
Vice President - Nuclear Operations
Virginia Electric and Power Company
Post Office Box 26666
Richmond, Virginia 23261

Dear Mr. Stewart:

By letter dated May 2, 1983, you requested amendments to the licenses for Surry Power Station, Unit Nos. 1 and 2. You requested that we issue the amendments approximately June 1, 1983.

New procedures require us to provide a 30 day public notice of all amendments unless an urgent or emergency condition exists. Your basis for the June 1, 1983 issuance is operational flexibility, which is not sufficient reason not to provide a public notice.

The amendments will be issued as soon as practicable after the notice expires.

Sincerely,

Original signed by:
S. A. Varga

Steven A. Varga, Chief
Operating Reactors Branch No. 1
Division of Licensing
