NOTE

FOR: FILE CASE NO. 00-17  
MDS NORDION THERASPHERE

FROM: J. Jankovich/MSIB/IMNS *JPJ*

SUBJECT: CLOSE-OUT SSD-00-17

On May 17, 2000, I have received a telephone call and an e-mail (see Conversation Record and Print-out of E-Mail) from Ms. Ann Warbick Cerone/MDS Nordion indicating a change to their amendment application, dated March 31, 2000. The present request changes the content of the March 31, 2000, amendment application; therefore, I asked Traci Kime, MSIB SSD Assistant, to close Case #00-17 and open a new case for MDS Nordion with an application dated of May 17, 2000.

*The case that Traci opened is #0025*
