

OFFICE OF ENFORCEMENT  
NOTIFICATION OF SIGNIFICANT ENFORCEMENT ACTION

Licensee: PPL Susquehanna, LLC (EA 01-187)  
Susquehanna Steam Electric Station  
2 North Ninth Street  
Allentown, Pennsylvania 18101  
(Docket Nos.: 50-387 50-388)

Subject: ISSUANCE OF FINAL SIGNIFICANCE DETERMINATION AND NOTICE OF VIOLATION

This is to inform the Commission that a Notice of Violation associated with a White Significance Determination Process (SDP) finding will be issued September 13, 2001, to Susquehanna, LLC. On thirteen occasions during 2000 and 2001, the licensee's on-shift staffing did not meet the minimum on-shift staffing requirements as defined in their Emergency Plan. The NRC has also determined that this issue constitutes a violation of 10 CFR 50.47(b)(2) which requires, in part, that on-shift facility licensee responsibilities for emergency response are unambiguously defined, and adequate staffing to provide initial facility accident response in key functional areas is maintained at all times.

It should be noted that the licensee has not been specifically informed of the final significance determination and enforcement action. The schedule of issuance and notification is:

Mailing of Final Significance Determination and Enforcement Action	September 13, 2001
Telephone Notification of licensee	September 13, 2001

The State of Pennsylvania will be notified.
