 From: William A Fox, President SGT  
 Date: 06-Mar-01  
 Subject: **SAFETY CONSCIOUS WORK ENVIRONMENT SURVEY**

SGT is committed to maintaining a work environment whereby any person should feel free to express any nuclear safety concern without fear of retaliation. In order to evaluate the effectiveness of our Employee Concerns Program, we are conducting a random survey to determine how people feel about this program. All responses to this survey are strictly confidential. We ask that you do not put your name on this form. There is space at the end of the survey for any comments you may wish to add. I ask that you take a minute to complete this questionnaire and return it to Barry Scott in the Princeton office. I would like to thank you in advance for taking the time to respond to this form.

	YES	NO
1 Are you aware that SGT maintains an Employee Concern Program that allows you to document any nuclear safety concern that you may have?	✓	
2 Do you know that you can report a Nuclear Safety Concern by hotline phone? Call SGT (877) 626-7585.	✓	
3 Would you promptly report any nuclear safety concerns you had to someone in authority?	✓	
4 Do you feel that SGT promotes a safety conscious work environment?	✓	
5 Are you aware that federal law prohibits an employer from taking adverse employment action against an employee because they have raised nuclear safety concerns?	✓	
6 Have you seen the Nuclear Regulatory Commission (NRC) "Notice to Employees" (Form 3) posted on bulletin boards at various locations around the Site?	✓	
7 Do you currently have any nuclear safety concerns that have not been adequately addressed by SGT? If so, please document your concern on an Employee Concern Report or contact the hotline.		✓

SGT is committed to maintaining a work environment whereby any person should feel free to express any nuclear safety concern without fear of retaliation. In order to evaluate the effectiveness of our Employee Concerns Program, we are conducting a random survey to determine how people feel about this program. All responses to this survey are strictly confidential. We ask that you do not put your name on this form. There is space at the end of the survey for any comments you may wish to add. I ask that you take a minute to complete this questionnaire and place it in an envelope addressed to the project Business Manager. I would like to thank you in advance for taking the time to respond to this form.

IT IS NOT CLEAR TO WHAT DEGREE A DOCUMENT DISCREPANCY CONSTITUTES A NUCLEAR SAFETY CONCERN. IF SOMETHING IS PROBABLY OKAY BUT SIMPLY NOT WELL DOCUMENTED OR JUST NOT EASILY FOUND I WOULD NOT WRITE A PIP OR NUCLEAR SAFETY CONCERN. BASED ON MY LIMITED ACCESS TO INFORMATION, I WOULD SIMPLY MENTION IT TO SUPERVISION AND LET THEM MAKE A JUDGEMENT CALL ON WRITING IT UP. MORE TRAINING IN THIS AREA IS NEEDED.

 Subject: **SAFETY CONSCIOUS WORK ENVIRONMENT SURVEY**

SGT is committed to maintaining a work environment whereby any person should feel free to express any nuclear safety concern without fear of retaliation. In order to evaluate the effectiveness of our Employee Concerns Program, we are conducting a random survey to determine how people feel about this program. All responses to this survey are strictly confidential. We ask that you do not put your name on this form. There is space at the end of the survey for any comments you may wish to add. I ask that you take a minute to complete this questionnaire and place it in Tina Helms inbox in her office. I would like to thank you in advance for taking the time to respond to this form.
