

September 7, 2001

MEMORANDUM TO: All DLPM Staff

FROM: John A. Zwolinski, Director */RA/*  
Division of Licensing Project Management, NRR

SUBJECT: CHANGE TO THE BIWEEKLY FEDERAL REGISTER PUBLICATION  
SCHEDULE

Effective January 8, 2002, the publication date in the *Federal Register* for the Biweekly Notice of Applications and Amendments to Facility Operating Licenses Involving No Significant Hazards Considerations will change from every other Wednesday to every other Tuesday. The notice will contain the same information and will continue to be published biweekly.

The boilerplate for the notice will be modified with a note at the end to inform readers of the impending change and the effective date. This note will be repeated until the new schedule is implemented.

All internal milestones will be changed accordingly to support the new Tuesday publication schedule.
