

To Whom It May Concern:

I am opposed to the NRC proposed rulemaking as described in the federal register, April 16,2001, Vol. 66 – to change the licensing hearing process for nuclear power reactors. The public is entitled to full and meaningful participation in an on-therecord hearing process for the licensing of new reactors, the re-licensing of aging reactors and industry amendments to operating license safety requirements.

Thank You

Robert Crowley 2138 West main St Millville, NJ 08332

DOCKETED NUMBER PROPOSED RULE: PR-1,2,50,51,52,54,60,70,73,76&110 (66 FR 19610)
