OFFICE OF SECRETARY  
RULEMAKINGS AND  
ADJUDICATIONS STAFF

September 6, 2001

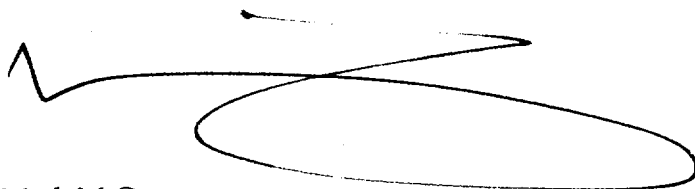

Attention: Rulemaking and Adjudications Staff  
Office of the Secretary  
U.S. Nuclear Regulatory Commission  
Washington, DC 20555

To Whom It May Concern:

I am opposed to the NRC proposed rulemaking as described in *The Federal Register*, April 16, 2001, Vol. 66 to change the licensing hearing process for nuclear power reactors. The public is entitled to full and meaningful participation in an on-the-record hearing process for the licensing of new reactors, the relicensing of aging reactors, and industry amendments to operating license safety requirements.

Thank you.

Sincerely,

Mark M Giese
