OFFICE OF SECRETARY  
RULEMAKINGS AND  
ADJUDICATIONS STAFF

To Whom It May Concern:

I am writing to express my opposition to the Nuclear Regulatory Commission's proposed rule as described in *The Federal Register*, April 16, 2001, Vol.66 to change the licensing hearing process for nuclear power reactors. The public is entitled to full and meaningful participation in an on-the-record hearing process for the licensing of new reactors, the licensing of aging reactors and industry amendments to operating license safety requirements.

Sincerely,
