Re: Registration Certificate NR-1055-D-101-S

Dear Ms. Burgess,

This is in reference to your letter dated August 1, 2001, for which we thank you.

This will verify that Epsilon-Opti Films Corp., the old company, has transferred all records, certificates, licenses, information, including any previously designated as proprietary, pertaining to NRC-regulated business in its entirety to the new company, Opti Films-Sealed Air Corporation. This will also confirm that there have been no changes to the product since the last registration.

We trust that the above is satisfactory and that we may soon receive the name change to the registration certificate.

Sincerely,

Edward Weiss
Vice President
Opti Films-Sealed Air Corporation
