Subject: SRM on COMSECY-00-0036 — Safeguards Performance Assessment

Please review the changes to the draft SRM on COMSECY-00-0036 (Safeguards Performance Assessment) in the attached file (sy00-0036.b.wpd). This is **Version B**. Please respond by January 22, 2001. Note that I have tried to incorporate the additional comments that were accepted into a logical point in the SRM and tried to stick with majority views where differences were encountered.

Thanks,

Ken
