

AGENDA FOR NUCLEAR ENERGY INSTITUTE (NEI)
LICENSE RENEWAL DEMONSTRATION PROJECT PUBLIC MEETING

October 11, 2001

Objectives:

- Discuss lessons learned prepared by the staff and NEI from demonstration project
- Discuss recommendations for guidance document enhancements from the staff and NEI, including the basis for enhancements.
- Discuss any implementation issues that NEI may identify for appeal to NRC management

Success:

- Provide timely input, through lessons learned, to applicant who plans to submit application in year 2002
- Identify areas where documents can be enhanced
- Identify industry implementation issues, if any, for further dialogue

Agenda:

	Introduction	9:00-9:05AM
1.	Lessons learned report by industry and recommendation of potential enhancements of guidance documents	9:05-9:45AM
	Break	9:45-10:00AM
2.	Lessons learned report by the staff and recommendation of potential enhancements of guidance documents	10:00-10:40AM
3.	Discussion of differences between the staff and industry observations, if any, and potential for NEI appeal to NRC management	10:40-11:15AM
4.	Future Plans	11-15-12.00PM
