Dear Ms. Hanlon:

The enclosed letter by Teresa Jensen, a member of the public, is being forwarded to you to be considered as a public comment for the site recommendation consideration process. Her letter was addressed to Chairman Meserve of the U.S. Nuclear Regulatory Commission (NRC).

Our response to her letter is enclosed. We believe that the second issue she raised in her letter is more appropriately handled by the U.S. Department of Energy through your site recommendation consideration process. In our response to her letter we stated that we would forward her letter to you as a public comment for the site recommendation consideration process.

If you have any further questions, please feel free to contact Dr. Bret Leslie of the NRC staff. Dr. Leslie can be reached at 301-415-6652 or via e-mail, at bwl@nrc.gov.

Sincerely,

/RA/
