# National Environmental Policy Act

- 
- NEPA requires Federal agencies to use a systematic approach to consider environmental impacts
  - An environmental impact statement (EIS) is required for major Federal actions significantly affecting the quality of the human environment
  - Commission has determined that an EIS will be prepared for a license renewal action

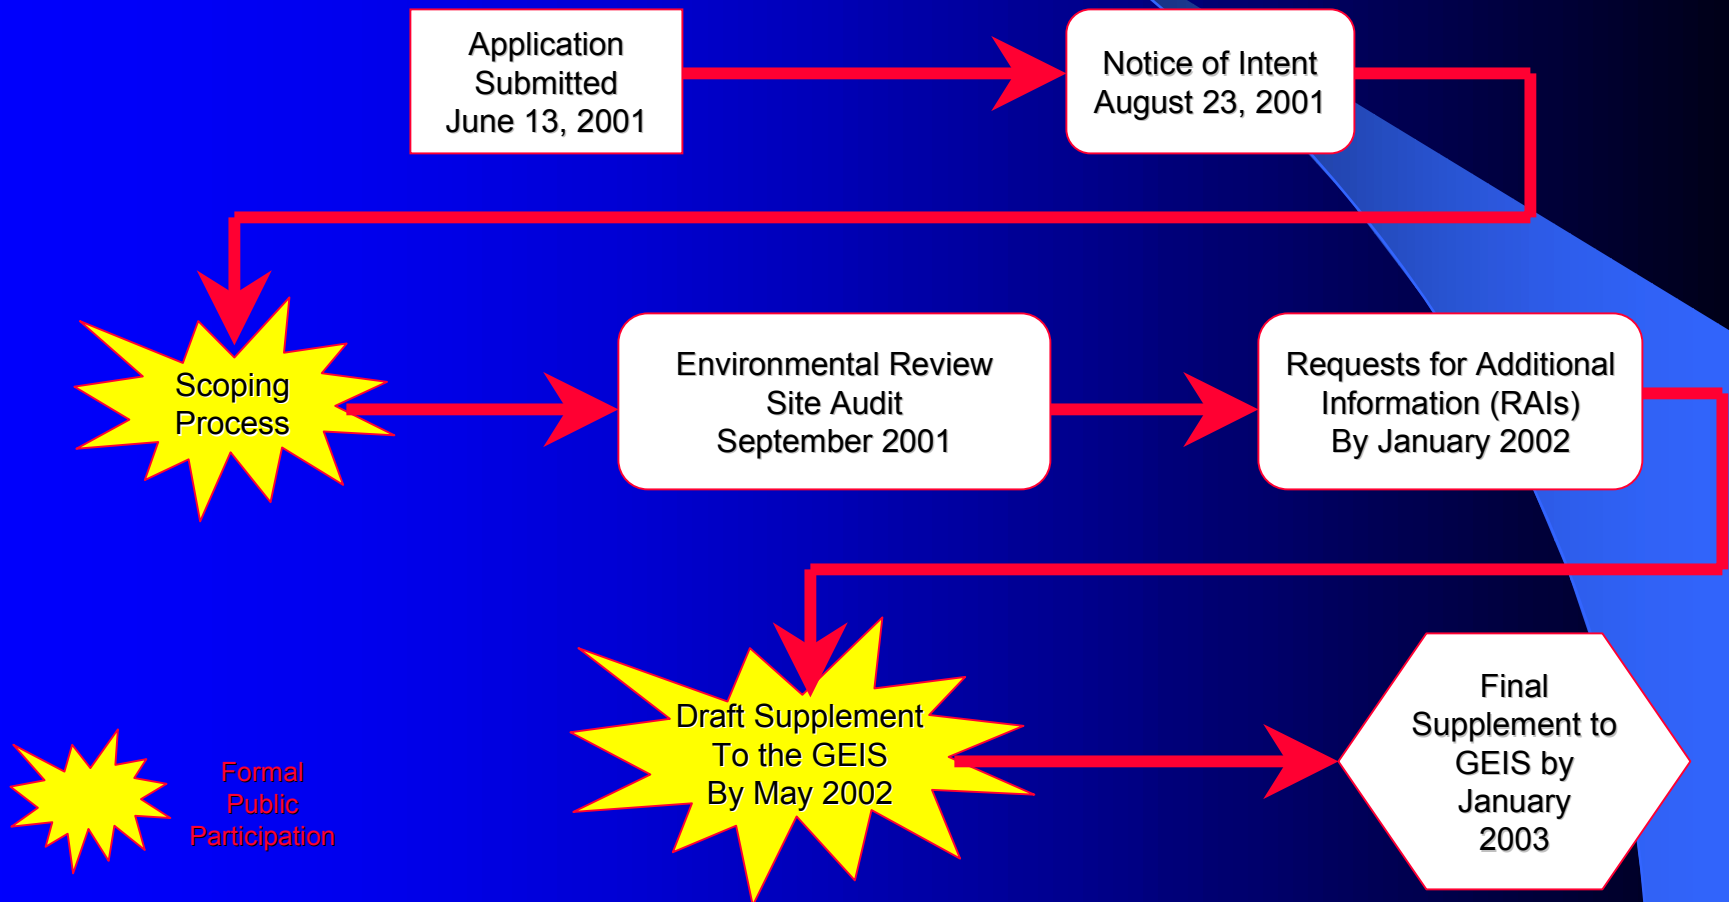

# Decision Standard for Environmental Review

---

To determine whether or not the adverse environmental impacts of license renewal for McGuire, Units 1 and 2, are so great that preserving the option of license renewal for energy planning decisionmakers would be unreasonable.
