TEMPLATE-ADM001

ADM02

The purpose of this modification is to: (1) extend the expiration date for expending FY 2001 funds currently obligated under this Cooperative Agreement from "September 30, 2001" to "June 30, 2002", per the Contractor's letter request dated July 23, 2001. This extension will allow for the completion of on-campus research projects initiated during the summer of FY 2001. Modification No. 5 states that funds obligated under this Agreement, in the amount of \$250,000.00, will cover cost for on-campus research projects initiated in FY 2001, but ending by September 30, 2001. However, several on-campus research projects that were initiated during the summer of FY 2001 will last through the university's academic year (August 2001 - June 2002). Therefore, the Government and ORISE agree that an extension is necessary to allow for the completion of these projects and the expenditure of FY 2001 funds. In addition, ORISE agreed not to initiate any additional or new work using prior year funding (FY 2001) under this Agreement after September 30, 2001. Accordingly, the following changes are hereby made:

On the first page of the "NOTICE OF COOPERATIVE AGREEMENT AWARD" document, item no. 3, change the expiration date of this Agreement from "9/30/01" to "6/30/2002".

All other terms and conditions under this Cooperative Agreement remain unchanged.

A summary of obligations for this Cooperative Agreement, from award date through the date of this action is given below:

Total FY99 Obligation Amount:	\$170,000.00
Total FY00 Obligation Amount:	\$170,000.00
Total FY01 Obligation Amount:	\$255,000.00

Cumulative Total of NRC Obligations: \$595,000.00

This modification does not obligate any FY01 funds.
