DOE will continue to provide to NRC 925 square feet of its commercially leased Hillshire facility located at 1551 Hillshire Drive, Las Vegas, Nevada, commencing November 1, 2001, on a reimbursable basis for Workstations A and B. The remainder of the 925 square feet will consist of an open conference and work area.

Article II - Period of Performance

The period of performance of this Agreement shall be from November 1, 2001 - October 31, 2004 or until such time as DOE relinquishes its space. Article III - Payment by NRC to DOE

It is agreed that DOE will provide 925 square feet to the NRC at a quarterly square foot charge as specified below. These charges include the cost recovery for the reconfiguration of the square footage to accommodate NRC's requirements and will be payable on the first day of each quarter commencing on November 1, 2001, and continuing until such time DOE relinquishes its space. Should DOE relinquish its space prior to the expiration of this Agreement, NRC shall pay the remainder of the charges acquired for reconfiguration/buildout pending availability of funds.
