SUBJECT: AMENDMENT 90 - CORRECTION OF ERROR

Our letter dated December 30, 1983 transmitting Amendment 90 to Facility Operating License No. DPR-65 for Millstone Nuclear Power Station, Unit No. 2 contained an omission. After describing the referenced supplements to your original submittal, the letter should have stated:

These supplements essentially provided additional information but did not change the substance of the original amendment request or our initial determinations as noticed in the Federal Register of July 20, 1983.

We regret any inconvenience this error has caused you.

Sincerely,

Original signed by
