Caguas, Puerto Rico 00726

SUBJECT: RETURN OF S & M TESTING CHECK NO. 1388

Dear Ms. O'Neill:

This refers to the telephone conversation on October 19, 2001, between you and Mr. John Pelchat of my staff, regarding S & M Testing Laboratory Corporation's check no. 1388 made out in the amount of \$1,000.00 submitted as partial payment of the civil penalty resulting from the April 2001 inspection of Turabo Testing. That check is being returned to you.

As discussed, check no. 1388 was not signed and the remaining unpaid balance is \$1,500.00. You stated that a second check made out in the amount of \$1,500.00 would be sent via Federal Express to the Nuclear Regulatory Commission by close of business on October 19, 2001. Failure to promptly submit the remaining balance for the proposed civil penalty could result in additional enforcement action against your company.

In accordance with 10 CFR 2.790 of the NRC's "Rules of Practice," a copy of this letter will be made available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/NRC/ADAMS/index.html> (the Public Electronic Reading Room).

Thank you for your cooperation in the matter. If you have any questions, please call Mr. Pelchat at (404) 562-4729.

Sincerely,

***/RA/ T. Decker Acting For***

Douglas M. Collins, Director  
Division of Nuclear Materials Safety
