ATTN: Ms. Sheryl Villar

Dear Ms. Villar:

As per our discussion on this date, John Turner Consulting has completed no soil testing for Orion Construction at the Portsmouth Naval Shipyard in Kittery, Maine.

We would ask that any days charged against the account be credited because we have not used any for this project. Unfortunately, it is difficult to determine the actual days needed when the contractor isn't really sure.

My records indicate the following:

Filed 3/12/01	4/1/01 to 9/30/01	actual total days=182	days used=0
Filed 6/29/01	7/5/01 to 12/31/01	actual total days=179	days used=0

I would anticipate a credit on all or a portion of these days up to this date. This is for the Orion Construction project only. The current form 241 submitted on this date is for Eugene Riccardelli's project, which we may need a total of 5 days of testing for.

Please call me at 603-749-1841 with any questions.

Respectfully Submitted,

John D. Turner
President
