Mr. Hugh Jackson
Public Citizen's Critical Mass Energy Project
211 Pennsylvania Avenue, SE
Washington, DC 20003

Dear Mr. Jackson:

As you requested at the environmental scoping meeting for North Anna on October 18, 2001, I'm enclosing a reproduction of the Generic Environmental Impact Statement (GEIS) for license renewal, NUREG-1437, Volume 1 and Volume 1, Addendum 1. We did not have a copy of Volume 2 and the Web version of this report is not available because it contains detailed siting information.

We presently have Ms. Jennifer Peterson on our service list as the primary contact at Public Citizen to receive license renewal correspondence. Please let me know if we should change the service list to designate you or Lisa Gue as the primary contact. You can respond by email to cig@nrc.gov or call me at 301-415-1184.

Sincerely,

/RA/
