NOTE TO: Robin Teichman, OGC

FROM: Marianne Riggs, RES FAB Co-Chair Marianne Riggs

SUBJECT: NCRP GRANT NO. NRC-04-95-086, ENTITLED "CRITICAL EVALUATION OF THE LINEAR-NO THRESHOLD ASSUMPTION"

The FAB approved this grant for a one-year period with a one two-year option period. It is now time to exercise the optional two years. The new project officer, Al Roecklein, has provided the information we requested (see attached email and NCRP report) and believes that the NRC should continue to support this study. Since the FAB no longer exists, I am requesting that you review the attached information and provide me with your approval/concurrence for exercising the option period. If you have any questions concerning the attached materials, please contact either Al Roecklein (the new PO) on 415-6223 or myself on 415-5822.
