8/23

- when I tried to reduce loc couple of years ago

39.5%

→ 2.5 mil is Buxt exclusive  
so adding Fed Govt  
it will be close to \$4M

- Buxt pay + Dot reimbursement Buxt on monthly basis

- Estimate does not include DOT's reimbursement.

Goal - intent of our regs is to be able to hire contractor to complete jobs.

→ if parent Co. supports us pay Lytle rate  
Safety

- intent to finishing the job ourselves

what % of 2 mil paid

Cost - ab \$200-300/mo  
→ 400k is gone.

→ typicly 25-30% is net of handling + buying

→ this; looking for 2.5% Contingency

3413 ago w/ Bland would 2.5%

— 2.5% contingency is in 5/9/01 letter

want to get agreement on LOC of 2.5

each LOC costs 1.5% each month

want to shorten it to 1 month instead

at one time we had \$21M w/ NRC

— \$ 8M } we were paying  
\$ 11M }

→ ON LOC would help if you use  
our Guide doc.

See NU-R6G-1727

available on NRC web page

If you
