Subject: Review of Draft Revisions to Uranium Recovery Standard Review Plans

Attached for your review are electronic copies of draft revisions to NUREG-1620, "Standard Review Plan for the Review of a Reclamation Plan for Mill Tailings Sites Under Title II of the Uranium Mill Tailings Radiation Control Act" and NUREG-1569, "Draft Standard Review Plan for *In Situ* Leach Uranium Extraction License Application". The disks contain a clean version and a red line/strikeout version of the standard review plans, which are being updated in accordance with SECY-01-0026. We need to have comments sent back to the Center (CNWRA) by December 7, 2001, so that they can incorporate our comments and issue the drafts for review and public comment in January 2002. Therefore, please provide comments to John Lusher of my staff by November 30, 2001.
